Notes:
 School Sites have been reduced by a factor to account for the actual time available to the general public.
 40% - Playgrounds are available outside of school hours, evenings and summer; Park District uses playgrounds for before school use as well
 40% - Middle School Ball Fields are available outside of school hours and school use
 20% - Courts are only available outside of school hours and school use / season
 20% - Parks / open space is available outside of school hours and school use / season
 4 high school ball fields not included in the mapping since they are not available for general use

Sun City accounts for 20% of the population and thus, their inventory has been counted at 20% of the total inventory
 Talamore HOA estimated to account for 7% of the population and thus, their inventory has been counted at 7% of the total inventory
